

The Dark Web and Human Trafficking

Featuring:
David Bringle

Mr. Bringle will lead a presentation on the role of the dark web in human trafficking and new technological methods for finding and combatting it. Discussion will be based on his work with the Defense Advanced Research Projects Agency (DARPA). He will discuss the dark web, challenges for conducting research in that space, and cutting edge efforts to make the dark web more transparent to law enforcement working to combat human trafficking.

Mr. Bringle is President and CEO of Whistle Lake Partners. He holds a Master's Degree in Security Studies from Georgetown University and Bachelor of Science in Economics from the United States Naval Academy
